

NÜWIEL

MAINTENANCE MANAGER

NÜWIEL is a Hamburg based startup developing electric transportation solutions for last mile logistics. NÜWIEL is founded in 2016 with a vision is to improve air quality in cities and reduce negative impact of traffic emissions on environment and public health by providing a sustainable mobility: **electric trailer** (eTrailer) for bikes.

NÜWIEL's patent pending technology enables the eTrailer to automatically accelerate and brake. A cyclist makes no additional effort when cycling with the trailer yet carries 150kg. Among our customers are IKEA, UPS, Airbus as well as city councils and residential areas.

We are a diverse and dynamic team, looking for motivated maintenance coordinator to strengthen our team and help us to provide a great customer service.

YOUR MISSION:

- Coordinating maintenance tasks and finding service providers
- Development and implementation of maintenance plans
- Establishing repair and maintenance documentations incl. incident analysis, protocols and maintenance reports
- Keeping track of the supply and inventory of spare parts internal and at service partners
- Contributing to improvement of operational manuals and maintenance instructions
- Setting up and implementation of training plans for new service partners
- Developing network of maintenance service partners in Europe and globally

YOU BRING:

- Relevant training certificates and licenses
- 5+ years of experience in maintenance coordination, vehicle repairs or similar
- Knowledge and ability to operate hand and power tools
- Willingness to travel and learn
- Excellent customer service and negotiation skills
- Outstanding leadership and organizational skills
- Driving license category B
- Fluent in English and good German skills

WE OFFER:

- Immense learning and high level of responsibility from day 1
- Dynamic startup environment and growing international team
- Support in personal and professional development
- Brand new modern office and final assembly facility close to the HafenCity
