

NÜWIEL

## MAINTENANCE MECHANIC

NÜWIEL is a Hamburg based startup developing electric transportation solutions for last mile logistics. NÜWIEL is founded in 2016 with a vision is to improve air quality in cities and reduce negative impact of traffic emissions on environment and public health by providing a sustainable mobility: **electric trailer** (eTrailer) for bikes.

NÜWIEL's patent pending technology enables the eTrailer to automatically accelerate and brake. A cyclist makes no additional effort when cycling with the trailer yet carries 150kg. Among our customers are IKEA, UPS, Airbus as well as city councils and residential areas.

We are a diverse and dynamic team, looking for motivated maintenance mechanics to strengthen our team and help us to provide a great customer service.

### YOUR MISSION:

- Troubleshooting eTrailers and performing routine checkups and preventive maintenance
- Assembling, installing and maintaining eTrailers and its subsystems
- Documenting maintenance events and preparing reports
- Frequent traveling for field maintenance and training within Germany and in Europe
- Maintaining a schedule for inspecting, servicing, and testing eTrailers
- Communication with R&D and purchasing teams
- Contributing to improvement of operational manuals and maintenance instructions
- Maintaining a clean and organized work area

### YOU BRING:

- Training / Ausbildung in Mechatronics / Mechanic or similar
- 2+ years of experience as a Maintenance Mechanic or in similar role
- Knowledge and ability to operate hand and power tools
- Willingness to travel and learn
- Good troubleshooting skills
- Driving license category B
