

PRODUCTION ENGINEER

NÜWIEL is a Hamburg based startup developing electric mobility solutions for last mile logistics. NÜWIEL is founded in 2016 with a vision is to improve air quality in cities and reduce negative impact of traffic emissions on environment and public health by providing an award-winning sustainable mobility: electric trailer (**eTrailer**) for bikes.

By 2030 eTrailers will be saving 64M tons of the CO2 emissions per year

We are a diverse, dynamic and growing team. We are looking for a talented, highly motivated **Production Engineer** ready to take the challenge of scaling and setting up series production.

YOUR MISSION

- Set up external production and supervise production engineering processes
- Develop plans to improve production to effectively utilize resources and maximize production
- Perform engineering analysis to reduce downtime and outages
- Implement cost reduction initiatives while maintaining high quality standards
- Develop best practices to improve production capacity, quality and reliability
- Assure product and process quality by designing testing methods for finished products
- Evaluate current production activities and make recommendations for improvements
- Develop operational strategies to achieve production and financial objectives
- Coordinate annual and quarterly budgets with finance team and engage in financial planning
- Identify unsafe practices and find solutions for improvement together with R&D and Ops teams
- Establish safety procedures and environmental regulations for employees
- Set-up documentation, reporting, safety procedures and protocols

YOU BRING

- Degree in Engineering (Master's degree preferred)
- 5+ years of work experience in production engineering, setting up production and similar
- Experience with CAD software and proven experience in the engineering field
- Experience working in a startup or SME is preferable as well as setting supply chain from scratch
- Proven management skills and problem-solving skills
- Ability to make decisions under pressure
- Strong attention to detail and excellent analytical skills
- National of an EU-country or valid work / residence permit in Germany
- Fluent in German and English

WE OFFER

- High level of responsibility from day 1 and self-initiative
- Dynamic startup environment and friendly international team
- Opportunity to directly contribute to climate change and better environment
- Support in personal and professional growth
- Brand new modern office 10 minutes away from the Central Station and Hafencity
