

LOGISTICS OPERATOR

NÜWIEL is a Hamburg based start-up developing electric transportation solutions for last mile logistics. NÜWIEL was founded in 2016 with a vision to improve air quality in cities and reduce the negative impact of traffic emissions on the environment and public health by providing a sustainable mobility: electric trailer (eTrailer) for bikes.

By 2030 eTrailers will be saving 64M tons of the CO2 emissions per year

We are a diverse, dynamic and growing team. We are looking for a talented, highly motivated **Logistics operator** ready to take the challenge of our new warehouse and inventory.

YOUR MISSION:

- Load and unloading trucks, light trucks or vans
- Receive incoming goods and check for transport damages, packing and unpack the goods, register the goods receipt in our system, archive the delivery notes
- Inbound material inspection
- Sorting and labeling of the incoming parts and components
- Sorting the material needed for production, maintenance and R&D, register the material take out in our system
- Regular updates and reports with Supply Chain Team about stock levels
- Arrange the outbound shipping
- Inventory count
- Keep the warehouse organized, clean and tidy

YOU BRING:

- Relevant vocational qualification required but not mandatory, preferably in supply chain management or materials planning management
- Some experience in operating within an Inventory / Logistics role or similar position
- Forklift Operator driving license required
- Good organizational and communication skills with a lot of discipline and patience
- Motivation, flexibility and openness to work in a startup environment

WE OFFER:

- Immense learning and high level of responsibility / trust from day one
- Dynamic startup environment and growing international team
- Brand new modern office and final assembly facility in Hamburg city center
